#### South Australia – Kangaroo Island

Travel to Kangaroo Island is allowed for vehicles collected from Sydney Airport, Melbourne Airport, Adelaide Airport, Kings Cross – Sydney City, Franklin St – Melbourne City or Adelaide City only. Night driving is not permitted on Kangaroo Island. If an accident occurs between dusk and dawn the renter will be responsible for all damage irrespective of circumstances.

#### Tasmania – Bruny Island

Vehicles are permitted to be taken to Bruny Island, when rented from any participating location in Tasmania.

Clients travelling to Bruny Island or considering travelling to Bruny Island should mention this to our staff member at the rental counter.

Avis does allow travel to Bruny Island (including travel on the Bruny Island Ferry), but does require the renter to acknowledge the change to our terms and conditions regarding this at time of rental.

Please note that due to the isolated nature of Bruny Island and its access limitations, breakdowns and accidents can be difficult to attend to and can take up to 24 hours for an agent to attend a call out on Bruny Island. Under no circumstances will Avis cover any additional expenses the renter may incur due to such a delay including but not limited to costs associated with hotel and airlines arrangements.

Please Note: Excess Reduction does not cover, and the renter will always be liable for all Overhead Damage, Underbody Damage and Water Damage.
